## What we are about

We invite you to be our guest to attend this exciting learning venue where you, along with your colleagues, can explore day to day clinical challenges in a relaxed, professional environment.

## Who we are

Founded in 2004, the Sacramento Valley Academy of Cosmetic Dentistry (SVACD) is an official affiliate of the American Academy of Cosmetic Dentistry.

As a not-for-profit membership organization, our goals are simple:

- To provide comprehensive and innovative educational opportunities in cosmetic dentistry and related fields.
- To support and advance standards of integrity and leadership in cosmetic dentistry.
- To disseminate information on cosmetic dentistry to the profession and to the public.

Each year we host a series of quarterly sessions featuring case review, diagnosis and treatment planning, and AACD accreditation assistance. Additionally, we host an annual all-day seminar featuring one of the country's top clinicians and lecturers.
